**Supplemental notice of Allowance**

**SUPPLEMENTAL REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance: in a telephonic conversation with Applicants representative Kathleen McKenzie on 07/14/2008 Examiner's attention was drawn to the fact that the supplemental IDS letters from 06/26/2008 and 04/27/2009 were not considered in their entirety (tables containing child cases of the instant Application and copies of previous Office actions) because the documents were not properly classified as IDSs. The letters were found in the IFW file as Transmittal letters. They were also provided via Fax by Applicant representative and will be attached to the Supplemental Office action. Upon consultation with the Quality Assurance Specialists in the Technology Center 1600 (Jean Vollano and Bennett Celsa), in the Supplemental IDS all the references will be crossed out even though they were considered because they are Applications that are filed after the filing of the instant Application and some of them are not published. Furthermore, the tables in the supplementary IDS misclassified do not contain any references that affect the patentability of the claims allowed previously.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to ELLY-GERALD STOICA whose telephone number is
